KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON:

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

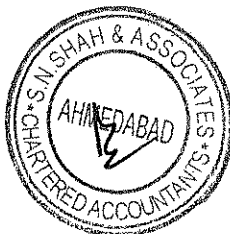

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

The Company's Board of Directors is responsible for the matters in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

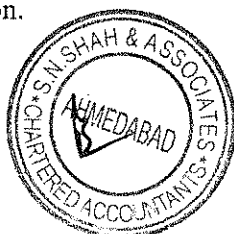

The board of directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

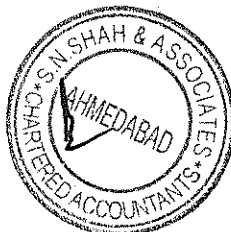

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

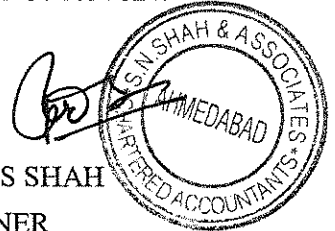

1. As required by The Companies (Auditor's Report) Order, 2016 issued by The Central Government Of India in term of section 143 (11) of The Companies Act, 2013, we enclose in the Annexure-A hereto a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable to the company.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss & Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of written representations received from the directors as on March 31, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013;
 - f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure-B; and

g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :

- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT
[REFERRED TO IN PARAGRAPH 2(f) UNDER “REPORT ON OTHER LEGAL AND REGULATORY
REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE]
FINANCIAL YEAR ENDED 31ST MARCH 2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SAMPAT ALUMINIUM PRIVATE LIMITED (the Company)** as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

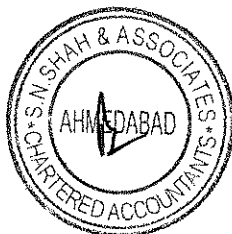

Management’s Responsibility for Internal Financial Controls

The management of the company is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

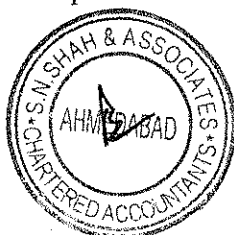

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

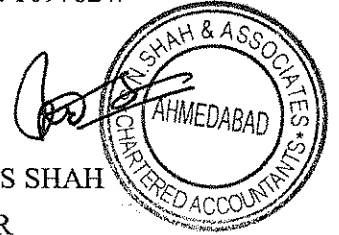

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2020, based on "the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

SAMPAT ALUMINIUM PRIVATE LIMITED (2019-20)

NOTE 1 : SIGNIFICANT ACCOUNTING POLICIES

a) Accounting Conventions :

The Financial Statements of the Company are prepared under the historical cost convention on accrual basis of accounting and in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India and referred to in section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and generally accepted accounting principles in India. The accounting policies not referred to otherwise have been consistently applied by the Company during the year.

b) Use of Estimates

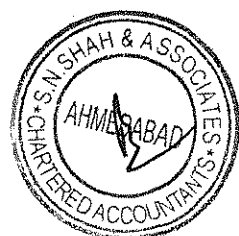

The preparation of financial statements in accordance with the GAAP requires management to make estimates and assumptions that may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relates.

c) Fixed Assets :

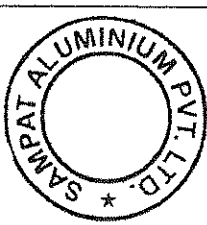

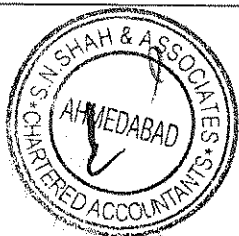

The Fixed Assets are stated at cost of acquisition/construction (less Accumulated Depreciation, if any). The cost of Fixed Assets comprises of their purchase price including freight, duties, taxes or levies and directly attributable cost of bringing the assets to their working conditions for their intended use. The Company capitalizes its Fixed Assets at a value net of GST received/receivable where credit is available during the year in respect of Capital Goods. Subsequent expenditures on Fixed Assets have been capitalised only if such expenditures increase the future benefits from the existing assets beyond their previously assessed standard of performance. The assets that are under construction/erection or not fully acquired and therefore not available for productive use are shown as "Capital Work in Progress" under fixed assets and will be capitalized on completion of the construction/erection/acquisition activities.

d) Depreciation

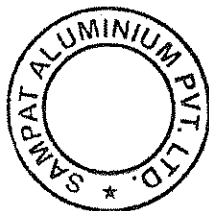

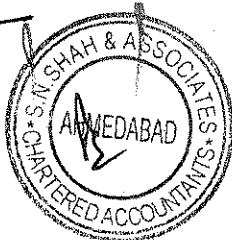

The Depreciation on Fixed Assets is provided on straight line method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the fixed assets as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013.

e)	Inventories
	Inventories of Raw Materials and Work-in-Process have been valued at cost. Finished Goods have been valued at cost or net realizable value whichever is lower. Costs in respect of all items of inventories have been computed on FIFO basis. The cost of Raw Materials comprises of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. The purchase price does not include ITC credit availed of by the Company during the year. Work-in-Process includes cost of Raw Materials and conversion cost depending upon the stage of completion as determined. The cost of Finished Goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. The Finished Goods are valued at cost after availing of the ITC credit on input materials.
f)	Receivables
	Receivables including receivables of more than 6 months are shown at book value. Though some of the amounts are pending for recoveries since long, management considers it as good.
	Revenue Recognition
g)	All income and expenses are accounted on accrual basis. The Company recognised Sale of Goods when it had transferred the property in Goods to the buyer for a price or all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched. Income from investments, where appropriate, is taken into revenue in full on declaration or accrual and tax deducted at source thereon is treated as advance tax.
	Foreign Currency Transactions
h)	The transactions in foreign currency have been recorded using the rate of exchange prevailing on the date of transactions. The difference arising on the settlement/restatement of the foreign currency denominated Current Assets/Current Liabilities into Indian rupees has been recognized as expenses/income (net) of the year and carried to the statement of profit and loss.
	Borrowing Costs
i)	The borrowing costs incurred by the company during the year in connection with the borrowing of funds have been debited to the statement of profit and loss for the period.
j)	Taxes On Income:
	Taxes on income comprises of current tax and deferred tax. Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income taxes are determined for future consequences attributable to timing

	<p>differences between financial determination of income and income chargeable to tax as per the provisions of Income Tax Act, 1961. Deferred tax liability has been worked out using the tax rate and tax laws that were in force as on the date of balance sheet and has not been discounted to its present value.</p>								
k)	<p>Provisions, Contingent Liabilities and Contingent Assets</p> <p>The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation. A disclosure of contingent liabilities is made when there is a possible obligation that may, but probably will not, require an outflow of resources. Contingent Liability is as under:</p>								
l)	<p>Retirement Benefit</p> <p>Company's contribution to Provident Fund. is charged to Profit & Loss Account. No provisions for gratuity, leave encashment are made and shall be accounted for as and when paid.</p>
